## Save Time and Money

---

Pay bills conveniently with the touch of a button, or schedule them automatically. SmartHub's Auto Pay feature means you never have to remember to write a check again or pay for postage — and your payments will be on time, *every time!*

Call us at:  
513-867-4400

## Power Usage Alerts

---

With power usage alerts, Butler Rural Electric Cooperative members can receive text messages or emails for high or low power use. Members can be automatically notified daily, or even hourly, based on the kWh thresholds they set.

Email us at:  
butler@butlerrural.coop

## Monitor Energy Use

---

Save money on your energy bill and help the environment by finding ways to make your home more energy efficient with SmartHub. Butler Rural Electric Cooperative members can compare past and current power use to identify ways to save on future bills.
