

\$1,000 Level 2 EV Charger Rebate Checklist

Follow the steps below to apply for a \$1,000 level 2 electric vehicle charger rebate from Butler Rural Electric Cooperative.

- ☐ Confirm you have an active account with Butler Rural Electric Cooperative (not a seasonal account).
- ☐ Confirm your account with Butler Rural Electric Cooperative is current/up to date/not delinquent.
- ☐ Complete the rebate application at butlerrural.coop > Energy Solutions > Member Rebates > Electric Vehicle Charger.
- ☐ Include the following items with the rebate application:
 - ☐ Proof of payment or lease of electric vehicle (receipt)
 - ☐ Proof of electric vehicle charger purchase (receipt)
- ☐ Submit rebate application, proof of payment or lease of electric vehicle, and proof of electric vehicle charger purchase at butlerrural.coop > Energy Solutions > Member Rebates > Electric Vehicle Charger.
- ☐ Once you submit the rebate application and supporting documents, a cooperative employee will contact you to sign and submit the EV Terms and Conditions. These can be found at butlerrural.coop > Energy Solutions > Member Rebates > Electric Vehicle Charger
