#### **BUTLER RURAL**

# COMMUNITY CONNECTION

Butler Rural Community Connection provides grants to local non-profit groups, schools, and organizations in Butler, Preble, Hamilton, and Montgomery counties. Funds for the program come from Butler Rural Electric Cooperative members and employees who voluntarily contribute to Community Connection each month. Some members choose to allow their monthly electric bills to be rounded to the next dollar amount, and the extra change is allocated to Community Connection. Other members and employees choose to donate a specific amount each month or give a one-time donation. Thank you to those who contribute to Community Connection!

#### Past grants funded:

- School sensory paths
- Playgrounds for parks
- Food shelters
- Animal rehab shelters
- AEDs for community locations
- Senior citizen home repair costs
- Teacher classroom materials
