Annual Meeting Recaps

11 a.m. and 1 p.m.

*View the annual meeting recording and
speak with co-op board members and
leadership.*

Join us Friday, July 10 for Family Day, our annual member appreciation event! The event is FREE and open only to members of Butler Rural Electric Cooperative and their families. Enjoy this day as a thank you from us – the cooperative wouldn't exist without you!

Funds from the raffles are donated to Butler Rural Community Connection. If you would like to purchase tickets for the raffle, cash and card will be accepted. Family Day features a petting zoo and exotic critters. We want to keep all of these animals comfortable, so pets are not allowed.

Interested in solar without the cost of installation and maintenance?

Butler Rural Electric Cooperative members can go green with Butler Rural Community Solar! Members can purchase a subscription to up to ten panels at our co-op's community solar array, guaranteeing them access to one of the cleanest and most affordable renewable energy sources available.

Here are some of the benefits:

- ✓ No up-front or maintenance costs
- ✓ Protected against inflation
- ✓ No changes to your property or installation barriers
- ✓ Immediately available solar power

Learn more about Butler Rural Community Solar, view a sample bill, and subscribe on our website or by calling 513-867-4400.
