

2025 Annual Report

Butler Rural Community Connection provides grants to local non-profit groups, schools, and organizations in Butler, Preble, Hamilton, and Montgomery counties. Funds for the program come from Butler Rural Electric Cooperative members and employees who voluntarily contribute to Community Connection. Some members choose to allow their monthly electric bills to be rounded to the next dollar amount and the extra change is allocated to Community Connection. Other members and employees choose to donate a specific amount each month or give a one-time donation. Thank you to those who contribute to Community Connection!
